X 300CC GT FEATURES

X300 BADGE WITH THE ICONIC LAMBRETTA

Express our identity through the iconic Lambretta badge on the front of Lambretta scooters.

KEEP OUR SIGNATURE, BUT MORE FUTURE.

The unique Lambretta horn cast with the new design has a more futuristic look.

ARM LINK WITH DISC BRAKE [ABS]

More Safety by disc brake with an anti-lock braking system (ABS) is a safety anti-skid braking system used on motorbikes.

NEW DESIGNS BY THE SAME SPIRIT.

The new tail lights design and best look to date with the LED technology lighting system.

HIGH PERFORMANCE ENGINE

The automatic engine 275 cc with liquid cooled

AIR VENTILATION

The air vents are innovative design with a sharp design and futuristic look.

SMART KEYLESS ENTRY ENGINE START

The world moves forward with technology. So, we put modernity in Lambretta's soul as well.

THE LEGENDARY BADGE

The legendary badge on the black rubber floor mat.

THE FULL LED LIGHTING SYSTEM

The full LED lighting system is an outstanding design with the shape of Lambretta's DNA and the built-in logo that is difficult to replicate.

TAILORED SEAT

Comfy and ergonomic seat ideal for long journeys

UNDER SEAT STORAGE

Handy under-seat storage

SEMI DIGITAL DISPLAY

Combining classic and modern design on a semi-digital meter that combines Analogue and LCD (Liquid Crystal Display) are seamlessly integrated.

X 300CC GT FINANCE

Flexible payment options to suit your budget
