## Suzuki Burgman AN 400 2023

Pre Reg From £5799, New From £6499 Fantastic Savings!

**£5,799** +OTR

**from £115.37 p/m**

It fits well, like a fine handmade suit. It rides comfortably and performs like a champion. It manoeuvres brilliantly. And it delivers a winning combination of stylish design, practicality and convenience. The Burgman 400, bringing greater class and pleasure to your journey. At the heart of the new Burgman 400's polished performance is an updated version of its powerful 400cc fourstroke, DOHC, single-cylinder, fuel injected engine. The new Burgman 400's underbone frame is built from large diameter, thin wall tubes that deliver the light weight and rigidity required for great handling. Complementing this frame in realising a stable, relaxing and nimble ride are 41mm front forks with a generous 110mm of wheel travel. The Burgman 400 is equipped with Suzuki's advanced technologies, including Suzuki Advanced Immobiliser System and a chain lock gate. Large, easy-to-read analogue speedometer and tachometer dials flank a digital display that shows an odometer, dual trip meters, fuel gauge, coolant temperature indicator, average fuel consumption meter, ambient temperature indicator, freeze indicator? and clock. Also included is Suzuki's Eco Drive Indicator?, which come on when the vehicle is operated in a fuel-efficient manner and may help riders learn techniques to better economise on fuel.
