Yamaha TMAX 560 2020

You belong to the MAX

£10,199 ^{+OTR}
from £200.91 p/m

New bodywork with integrated LED front flashers gives this iconic model a more aggressive look that commands total respect on the street. Improved ergonomics ensure easier access and increased comfort – and the pure sports DNA is evident in the slimmer rear end and super-cool T-shaped LED rear light. As soon as you twist the throttle you'll feel the bigger engine's increased power that delivers even quicker overtaking and faster acceleration. When you're riding longer distances on the highway, this is one of the most comfortable and convenient ways to travel. And in town nothing else comes close.
